RESIDENTIAL ROLL OUT CARTS & ROAD SIDE PICK UP

Please make sure that your containers are at curbside by 7:00 am on your scheduled pickup day. Return the container to the rear of your residence once it has been emptied. Do not leave your container at curbside for more than one day after it has been emptied. The City does not pick up construction debris, or commercial trimmings, branches etc. from professional lawn / tree care services. Please see website for debris ordinance.

WAYS TO AVOID SEWER SERVICE BLOCKAGE

Did you know some of the leading causes of sewer service blockages and sewer collection systems blockages are paper towels, handi-wipes, cooking grease, and your sink's food grinder? Do not flush paper towels or handi-wipes through the toilet. Also, please do not dispose of cooking oils, grease, or grind food products by pouring them down the drain of your kitchen or bathroom sink.

PROPER DISPOSAL OF ELECTRONICS

Please **DO NOT** place electronic devices at the curbside for pick up by City services. By South Carolina law we cannot pick up electronic devices any more. Should you have electronic devices to dispose of (televisions, computers, keyboards, computer monitors) they must be taken to your nearest York County Convenience Center or the recycling center for disposal.

HOW TO REPORT INOPERABLE STREET LIGHTS

You may report all inoperable streetlights to the City of York Public Works Department (803) 792-2385. Provide the address that is nearest to the inoperable light. We will notify the electrical utility for repair service.
